Dear voter,

Due to the recent COVID-19 pandemic, it is difficult to maintain the proper social distancing guidelines established by the State of Mississippi in the Carley polling location.

The Election Commissioners, Circuit Clerk and Board of Supervisors have identified a temporary voting location for Carley voters. Please note: This is a **temporary** change for this November 3rd General Election only.

It has been determined that the **Family Activity Center** located behind **Bunker Hill Baptist Church at 63 Bunker Hill Rd., Columbia** will be used as the temporary polling location for this upcoming election so that we will be in compliance with social distancing guidelines.
